General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. The Project consists of 96 residential Residences, to be built, in as many separate increments as Developer shall solely determine. All the residences are covered by this Report. Developer contemplates, however, that development shall proceed in three (3) construction increments and be released for occupancy in accordance with the construction schedule. The Private Yard Areas associated with each Residence are not subdivided lots but rather exclusive limited common elements.
- B. Upon completion of the Project, the Developer may amend the Declaration and the Condominium Map (if necessary) to file the "as built" verified statement required by Section 514A-12 of the Condominium Property Act.
- C. Until all of the Residences have been sold, the Developer may amend the Declaration, the Bylaws and/or the Condominium Map to make such amendments as may be required by law, by the Real Estate Commission, by the title insurance company, by a mortgage lender, or by any governmental agency (including the VA, HUD, FNMA and/or FHLMC), provided that no such amendments change the common interest appurtenant to a Residence or substantially change the design, location or size of a Residence.
- D. Until all of the Residences have been sold and the "as built" verified statement is filed, the Developer may amend the Declaration and the Condominium Map to (i) reflect alterations in any Residence which has not been sold; and (ii) reflect minor changes in any Residence or in the common elements which do not affect the physical location, design or size of any Residence which has been sold.

- E. The Developer reserves the right to alter the product mix within this project, sometimes hereinafter referred to as "Community". IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

Total Number of Apartments: 96

* Net Living Area is the floor area of the apartment measured from the interior surface of the apartment perimeter walls.

Other documents and maps may give floor area figures which differ from those above because a different method of determining the floor area may have been used.

Note regarding Net Living Areas: Throughout the Kai Nani at Makakilo documentation, the area of individual Residences is generally expressed as "net living area" square footage. This measurement represents the architect's best estimate of the interior square footage of the Residence as measured from the Residence's perimeter walls which are included in the Residence. This measurement is based upon the plans for the construction of the Residence and different architects performing the same measurement may obtain a larger or smaller result.

Residences followed by a "/R" represent a reverse floor plan configuration from that reflected on the condominium map.

Limits of Residences. Each Residence includes all walls, columns and partitions which are not load-bearing within the Residence's perimeter walls (including the garage, if any, associated therewith, as shown on the Condominium Map), the inner decorated or finished surfaces of all walls, floors, ceilings, doors, door frames and window frames along the perimeters, all windows along the perimeters, the air space within the perimeter, the lanais, if any, shown on the Condominium Map to the inner decorated or finished surfaces of the perimeter walls of such lanais and to the interior edge of the exterior railings or other boundaries of such lanais, the entry court or area, if any, shown on the Condominium Map to the inner decorated or furnished surfaces of the perimeter walls of such entry court or area and to the interior edge of other boundaries of such entry court or area, the exterior storage areas, if any, shown on the Condominium Map, all rollers, locks, handles, tracks, and appurtenant hardware associated with all windows, doors and exterior automobile garage doors, if any, and all sliding or swinging screen doors and all glass window screens and all fixtures originally installed in the Residence, and all pipes, plumbing (including water heaters), wires, conduits and other utility or service lines and facilities servicing only the Residence. The Residences shall not include the undecorated or unfinished surfaces of the perimeter party or non-party walls, the undecorated or unfinished surfaces of the doors, door frames and window frames along the perimeters, the interior load-bearing columns, girders, beams and walls, the undecorated or unfinished surfaces of the floors and ceiling surrounding each Residence, the exterior edge of the exterior railings or other exterior boundaries of the lanais, if any, shown on the Condominium Map, or any pipes, shafts, wires, conduits or other utility or service lines running through an Residence which are utilized for or serve more than one Residence, all of which are deemed common elements as provided in this Declaration.

Permitted Alterations to Apartments: Alterations or additions solely within or to a Residence or within a limited common element appurtenant to and for the exclusive use of a Residence shall require the written approval of the Board of Directors and all Residence owners directly affected thereby, as determined by the Board of Directors, and the Palehua Community Association Design Review Committee. Any alteration or addition different in any material respect from the Condominium Map shall be commenced only pursuant to an amendment to the Declaration, as provided in Section M of the Declaration.

Apartments Designated for Owner-Occupants Only: Fifty percent (50%) of residential apartments must be so designated; developer has a right to substitute similar apartments for those apartments already designated. Developer must provide this information either in a published announcement or advertisement as required by section 514A-102, HRS; or include the information here in this public report and in the announcement. Developer has elected to provide the information in a published announcement or advertisement.

11. Conformance to Present Zoning Code

- a. ☒ No variances to zoning code have been granted.
☐ Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	<u> </u>	<u> </u>
Structures	<u>X</u>	<u> </u>	<u> </u>
Lot	<u>X</u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

☒ described in Exhibit B-2.

☐ as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

☐ There are no limited common elements in this project.

☒ The limited common elements and the apartments which use them, as described in the Declaration, are:

☒ described in Exhibit B-3.

☐ as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

☒ described in Exhibit C.

☐ as follows:

The common interest and easements appurtenant to each Home shall have a permanent character and shall not be altered except as noted in Section F of the Declaration. The common interest, voting rights and easements appurtenant to each Home may be altered (diminished or increased) by a recorded amendment to the Declaration: (a) as may be determined necessary by Developer, without the consent of any party, to correct typographical or mathematical errors in the statement of such common interests, (b) filed by the Developer, without the joinder of any party, upon the alteration of the Community as permitted pursuant to Section F or Section M.3 of the Declaration as set forth in subpart H of this report, and/or (c) upon the action or consent of all Owners of Homes affected thereby, and the consent of the holders of any mortgage affecting such Homes as shown in the Association's records of ownership, or who have given the Board notice of their interest. The common interest and appurtenant easements shall not be separated from the Home to which they appertain and shall be deemed to be conveyed or encumbered with that Home even though such interest or easements are not expressly mentioned in the conveyance or other instrument. The common elements shall remain undivided and the right to partition or divide any part of the common elements shall not exist except as provided in the Act. In that the development of the Community will proceed incrementally, Section F also provides that common expense will be allocated based on common interests of the Homes in each increment as new increments are created within the Community. Initially, common expenses will be borne by Increment 1 homeowners in proportion to the common interest of the Increment 1 homeowners. Section M.3 allows the Developer prior to the sale of all Homes and the filing of an "as built" certificate to (a) make alterations in the Community which change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any Home (and the limited common elements appurtenant thereto) in the Community which is not sold and the conveyance thereof recorded which right includes the ability to change the overall "product mix" (e.g., change the model home type and size of a Private Yard Area); and (b) make other alterations in the Community which make minor changes in any Home in the Community or in the common elements which do not affect the physical location, design or size of any Home which has been sold and the conveyance thereof recorded.

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit A describes the encumbrances against the title contained in the title report dated July 1, 2005 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[X] There are no blanket liens affecting title to the individual apartments.

[] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
NONE	NONE

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Developer's sole warranty will be provided in the form attached to this Public Report as Exhibit D.

2. Appliances:

The Developer makes no warranty as to appliances or other consumer products installed in any Residence or in the common elements. If there are no applicable manufacturer's or dealer's warranties relating to such appliances or other consumer products, the Developer will endeavor to assign and pass on to each Residence owner the benefit of such warranties.

G. Status of Construction and Date of Completion or Estimated Date of Completion:

Construction commenced in November, 2004 and should be completed by approximately June 2006.

H. Project Phases:

The developer [X] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

Alteration of the Community: The Developer has reserved the right in its sole and absolute discretion:

1. To make alterations in the Community (and to amend the Declaration and the Condominium Map accordingly) which change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any Residence (and the limited common elements appurtenant thereto) in the Community which is not sold and the conveyance thereof Recorded, including specifically the right to alter the mix of model home types (increase or decrease the number of model home types); and
2. To make other alterations in the community (and to amend the Declaration and the Condominium Map accordingly) which make minor changes in any Residence in the community or in the common elements which do not affect the physical location, design or size of any Residence which has been sold and the conveyance thereof recorded.

Multi-Increment Phase: The Developer has reserved the right to develop this Community in increments as set forth in Section II. E.2 of this Public Report.

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

☒ [X] not affiliated with the Developer ☐ [] the Developer or the Developer's affiliate
☐ [] self-managed by the Association of Apartment Owners ☐ [] Other: _____

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit E contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

NOTE: The Estimated Maintenance Fee Disbursements for the Kai Nani at Makakilo Association have been compiled by Hawaiiana Management Company, Inc., a licensed property manager on the basis of the its standard budget assumptions. Although the property manager makes every effort to estimate the actual cost of operation, certain budget items, especially insurance in today's insurance market, may change. The Buyer is aware that such amounts are only estimates and may change for reasons beyond the control of Seller, and the Buyer hereby specifically accepts and approves any such changes. The Buyer is also aware that such estimates do not include the Buyer's obligation for payment of real property taxes. The Buyer understands that such estimates are not intended to be and do not constitute any representation or warranty by the Seller, including but not limited to any representation or warranty as to the accuracy of such estimates. Buyer understands that Seller has not independently confirmed the accuracy or content of the estimates prepared by the licensed independent managing agent. Further, the Developer advises that costs and expenses of maintenance and operation of a condominium community are very difficult to estimate initially and even if such maintenance charges have been accurately estimated, such charges will tend to increase in an inflationary economy and as the improvements age. Maintenance charges can vary depending on services desired by homeowners and may increase significantly depending on the level of services eventually selected by the Association's Board of Directors. The Buyer should examine the maintenance charges schedule to see what services are included in the schedule and address these issues with its Board upon its formation. Buyers should also be aware that the estimates provided are as of the date reflected in the Managing Agent's certification and do not reflect the actual charges that may be incurred upon the formation of the Association and the actual contracting for such services such as insurance and maintenance, etc.

NOTE: By purchasing a Home at Kai Nani at Makakilo, the Residence Owner will also become a member of the Palehua Community Association and be required to pay membership dues to that Association. As of January 1, 2005, those dues are \$168 per annum. A one time startup and transfer of \$275 is also payable to that Association on purchase of a Home.

NOTE: The Developer intends to pay all of the actual common expenses for Increment 1 until December 2005, for Increment 2 until July 2006 and for Increment 3 until December 2006. Accordingly, Residence Owners shall not be obligated for the payment of their respective shares of the common expenses until after that time. From and after such date Residence Owners will be obligated to pay their respective shares of the common expenses allocated to their Residence.

C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

LIMITED WARRANTY ATTACHED

HOME BUILDER'S LIMITED WARRANTY

Administered by Professional Warranty Service Corporation

Throughout this **HOME BUILDER'S LIMITED WARRANTY**, referred to hereinafter as the "**LIMITED WARRANTY**", the words "**YOU**" and "**YOUR**" refer to the **HOMEOWNER** and **HOMEOWNERS ASSOCIATION**. The words "**WE**", "**US**" and "**OUR**" refer to the **BUILDER**. The other words and phrases which appear in boldface uppercase type also have special meaning. Refer to the Section X. **Definitions**, so that **YOU** will understand the terminology applicable to this **LIMITED WARRANTY**.

This **LIMITED WARRANTY** establishes an agreed method for determining when a **CONSTRUCTION DEFECT** exists and a clear understanding of **OUR** responsibilities for remedying any such **CONSTRUCTION DEFECT**. This **LIMITED WARRANTY** also helps distinguish a **CONSTRUCTION DEFECT** that is **OUR** responsibility from those minor imperfections that can reasonably be expected in a **HOME** or the **COMMON ELEMENTS** or result from normal wear and tear or are routine **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance responsibilities.

This **LIMITED WARRANTY** contains the procedures **YOU** must use to notify **US** of a condition in **YOUR HOME** or the **COMMON ELEMENTS**, which **YOU** believe may constitute a **CONSTRUCTION DEFECT**. In the event a condition occurs in the **HOME** or the **COMMON ELEMENTS** that **YOU** believe may constitute a **CONSTRUCTION DEFECT**, **YOU** agree to submit any request for warranty performance under this **LIMITED WARRANTY**. Based on the information **YOU** provide, and where **WE** deem it necessary information obtained from **OUR** onsite investigation inspection and/or testing of the **HOME** or the **COMMON ELEMENTS**, **WE** will determine whether **WE** agree with **YOU** that the condition constitutes a **CONSTRUCTION DEFECT**. If **WE** determine that the condition reported by **YOU** is a **CONSTRUCTION DEFECT**, **WE** will remedy the condition in accordance with the remedies prescribed in this **LIMITED WARRANTY**. **WE** will make this determination in accordance with Section III, **OUR Coverage Obligations**, contained in this **LIMITED WARRANTY**.

If **WE** determine that a condition does not constitute a **CONSTRUCTION DEFECT** that is **OUR** responsibility and therefore deny **YOUR** request for warranty performance, **YOU** have the right to initiate binding arbitration that will irrevocably determine whether the condition constitutes a **CONSTRUCTION DEFECT** that is **OUR** responsibility. If this binding arbitration determines that the condition does constitute a **CONSTRUCTION DEFECT** that is **OUR** responsibility, **WE** will resolve the problem in accordance with the remedies prescribed in this **LIMITED WARRANTY**. The arbitrator will make a determination based on the language contained in Section III, **OUR Coverage Obligations**.

Enclosed with this **LIMITED WARRANTY** is a Limited Warranty Validation Form. The Limited Warranty Validation Form provides the dates on which the warranty coverage period begins and expires. It is important that this form is retained with the **LIMITED WARRANTY**. Liability under this **LIMITED WARRANTY** is limited to the amount shown on the Limited Warranty Validation Form.

All express or implied warranties other than this **LIMITED WARRANTY**, including any oral or written statement or representation made by **US** or any other person, and any implied warranty of habitability, merchantability or fitness, are hereby disclaimed by **US** and are waived by **YOU**. In addition, **YOU** waive the right to seek damages or other legal or equitable remedies from **US**, **OUR** subcontractors, agents, vendors, suppliers, design professionals and materialmen, under any other common law or statutory theory of liability, including but not limited to negligence and strict liability. **YOUR** only remedy in the event of a **CONSTRUCTION DEFECT** in or to the **HOME** or the **COMMON ELEMENTS** or to the real property on which the **HOME** or the **COMMON ELEMENTS** is situated is the coverage provided to **YOU** under this **LIMITED WARRANTY**. There may be instances where an additional **PWC** administered Builder's Limited Warranty is issued together with this **LIMITED WARRANTY**. If both of these warranties are issued to **YOU**, **YOU** agree to request warranty performance under either warranty relative to warrantable issues on the **HOME** or the **COMMON ELEMENTS**. **YOU** may not collect twice relative to the same defect and amounts paid or expended by **US** for warranty performance under either warranty will reduce the limit of liability remaining under both warranties simultaneously.

WE have contracted with **PWC** for certain administrative services relative to this **LIMITED WARRANTY**. **PWC's** sole responsibility is to provide administrative services. Under no circumstances or conditions is **PWC** responsible for fulfilling **OUR** obligations under this **LIMITED WARRANTY**.

If any provision of this **LIMITED WARRANTY** is determined to be unenforceable, such a determination will not affect the remaining provisions. If this **LIMITED WARRANTY** or any provision herein is determined to be unenforceable as to a **HOMEOWNERS ASSOCIATION** or a specific **HOMEOWNER**, such a determination will not affect the enforceability of this **LIMITED WARRANTY** or such provision as to any other **HOMEOWNERS ASSOCIATION** or any other **HOMEOWNER**. The issue of enforceability, as well as all other issues, will be determined by Binding Arbitration as provided for in this **LIMITED WARRANTY**.

I. Coverage Limit

The amount shown on the Limited Warranty Validation Form is **OUR** limit of liability. It is the most **WE** will pay or expend for all covered **CONSTRUCTION DEFECTS** regardless of the number of requests for warranty performance made against this **LIMITED WARRANTY**. Once **OUR** limit of liability has been paid, no further requests for warranty performance can be made against this **LIMITED WARRANTY** or any other **PWC** administered Builder's Limited Warranty issued for the **HOME** or the **COMMON ELEMENTS**.

II. Warranty Coverage

Coverage under this **LIMITED WARRANTY** is expressly limited to **CONSTRUCTION DEFECTS** which occur during the **WARRANTY PERIOD** indicated on the Limited Warranty Validation Form and are reported by **YOU** in accordance with the notification requirements of Section VII, **Procedure to Request US To Perform Under This LIMITED WARRANTY**.

Coverage

During the **WARRANTY PERIOD** indicated on the Limited Warranty Validation Form that is attached to and made part of this **LIMITED WARRANTY**, **WE** warrant the **HOME** and the **COMMON ELEMENTS** will be free of **CONSTRUCTION DEFECTS**. To be eligible for coverage **WE** must receive written notice from **YOU** of the alleged **CONSTRUCTION DEFECT** as soon as it is reasonably possible after **YOU** have become aware or should have become aware of a **CONSTRUCTION DEFECT** but in no event later than thirty (30) days after the expiration of the coverage.

III. OUR Coverage Obligations

All notices of alleged **CONSTRUCTION DEFECTS**, and complaints under this **LIMITED WARRANTY** must be made by **YOU** in writing. Telephonic or face-to-face discussion will not protect **YOUR** rights under this **LIMITED WARRANTY** (see Section VII, **Procedure to Request US To Perform Under This LIMITED WARRANTY**).

In the event **YOU** allege a **CONSTRUCTION DEFECT** occurs during the **WARRANTY PERIOD**, upon receiving written notice from **YOU**, **WE**, or a third party designated by **US** or acting on **OUR** behalf, will inspect, investigate and/or test (including destructive testing) the alleged **CONSTRUCTION DEFECT** to determine if a **CONSTRUCTION DEFECT** exists. Upon confirmation of a **CONSTRUCTION DEFECT**, **WE**, or a third party designated by **US** or acting on **OUR** behalf, will (1) repair or replace the **CONSTRUCTION DEFECT**, (2) pay to **YOU** the actual amount it would cost **US** to repair or replace the **CONSTRUCTION DEFECT** or (3) **PAY** to **YOU** an amount equal to the diminution in fair market value caused by the **CONSTRUCTION DEFECT**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** authorized representative's sole option.

WE will have been considered to have breached this **LIMITED WARRANTY** only if **WE** fail to resolve a **CONSTRUCTION DEFECT** in accordance with the terms and conditions of this **LIMITED WARRANTY**.

A. Standards By Which the Presence of a CONSTRUCTION DEFECT Will Be Determined

In the event **YOU** believe that a flaw in the **HOME** or the **COMMON ELEMENTS** constitutes a **CONSTRUCTION DEFECT**, the following factors will be considered by **US** in determining whether the condition constitutes a **CONSTRUCTION DEFECT**. Should either **YOU** or **WE** elect to initiate binding arbitration, these factors will be considered by the arbitrator in rendering a decision:

1. Any performance standards or guidelines or other documents or manuals that contain **OUR** building standards, that were provided to **YOU** at or prior to closing on the **HOME**, or in the case of the **HOMEOWNERS ASSOCIATION**, prior to transferring title to all the **COMMON ELEMENTS**. Absent such standards, the Residential Construction Performance Guidelines published by the National Association of Home Builders, in effect at the time of closing on the **HOME**, or in the case of the **HOMEOWNERS ASSOCIATION**, at the time of transferring title to all the **COMMON ELEMENTS** shall apply. Absent a specific standard in the documents identified above, building practices and standards in use in the region of the country in which the **HOME** or the **COMMON ELEMENTS** are located shall apply;
2. Consideration as to whether the magnitude of the flaw or imperfection:
 - materially affects the structural integrity of the **HOME** or **COMMON ELEMENTS**; or
 - has an obvious and material negative impact on the appearance of the **HOME** or **COMMON ELEMENTS**; or
 - jeopardizes the life or safety of the occupants; or
 - results in the inability of the **HOME** or the applicable **COMMON ELEMENTS** to provide the functions that can reasonably be expected in such a **HOME** or **COMMON ELEMENT**.
3. Consideration as to whether a condition is the result of normal wear and tear (conditions that are normal wear and tear, or are caused by normal wear and tear are not **CONSTRUCTION DEFECTS**);
4. Consideration as to whether the condition was caused by, or in any way resulted from, the failure of the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** to perform normal or routine maintenance (any condition that is determined to be a **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance issue, or any condition that results from improper or inadequate **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance, is not a **CONSTRUCTION DEFECT**);
5. Consideration as to whether the condition was caused by the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** or their representatives, other than **US**, after the **HOMEOWNER** took possession of the **HOME** or the **COMMON ELEMENTS** (**WE** and **YOU** conducted a walk through inspection just prior to closing on the **HOME**. Damage that was caused by **YOU** or **YOUR** representatives is not a **CONSTRUCTION DEFECT**, for example, a large, visible scratch on marble tile in the entry foyer that was not noted in the walk through inspection, but was reported after furniture was moved into the **HOME**, will not be considered a **CONSTRUCTION DEFECT**);
6. Recognition that any condition resulting directly or indirectly from or worsened by changes, additions, alterations or other actions or omissions by the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** or their agents, other than **US**, will not be considered a **CONSTRUCTION DEFECT** (this includes changes to the topography, drainage or grade of the property);
7. Any **Exclusions** contained in this **LIMITED WARRANTY**.

IV. Homeowner Maintenance Obligations

Maintenance of the **HOME** and the **COMMON ELEMENTS** is **YOUR** responsibility. All homes and common elements require periodic maintenance to prevent premature deterioration, water intrusion and to ensure adequate performance of the **SYSTEMS**. **WE** will make a "Homeowner Maintenance Manual" or similar publication available to **YOU** upon request. Whether from this document or others that are readily available to **YOU**, **YOU** must understand and perform the maintenance that the **HOME** and **COMMON ELEMENTS** require. As stated in other sections of this **LIMITED WARRANTY**, **WE** are not responsible for **HOME** or **COMMON ELEMENTS** maintenance issues or for damage that results from **YOUR** failure to maintain the **HOME** or the **COMMON ELEMENTS**.

V. Coverage Limitations

When **WE** or a third party designated by **US** or acting on **OUR** behalf, repair or replace a **CONSTRUCTION DEFECT** the repair or replacement will include the repair or replacement of only those surfaces, finishes and coverings that were damaged by the **CONSTRUCTION DEFECT** that were part of the **HOME** or the **COMMON ELEMENTS** when title was first transferred by **US**. Surfaces, finishes and coverings that require repair or replacement in order for **US** or a third party designated by **US** to repair or replace **CONSTRUCTION DEFECTS** will be repaired or replaced. The extent of the repair and replacement of these surfaces, finishes or coverings will be to approximately the same condition they were in prior to the **CONSTRUCTION DEFECT**, but not necessarily to a like new condition.

When repairing or replacing surfaces, finishes and coverings, the repair or replacement will attempt to achieve as close a match with the original surrounding areas as is reasonably possible, but an exact match cannot be guaranteed due to such factors as fading, aging and unavailability of the same materials.

In the case where a **CONSTRUCTION DEFECT** exists and the **HOME** is rendered uninhabitable and the **CONSTRUCTION DEFECT** is repaired or replaced, the repair or replacement shall include the reasonable cost of the **HOMEOWNER'S** alternative shelter until the **HOME** is made habitable.

8. Any damage to the extent it is incurred after or as a result of **YOUR** failure to notify **US** in a reasonably timely manner after **YOU** have become aware or should have become aware of the **CONSTRUCTION DEFECT** or condition causing such damage.
9. Any costs or obligations paid or incurred by **YOU** in violation of Section VII. C. below;
10. Any non-conformity with local building codes, regulations or requirements that has not resulted in a **CONSTRUCTION DEFECT**. While **WE** acknowledge **OUR** responsibility to build in accordance with applicable building codes, this **LIMITED WARRANTY** does not cover building code violations in the absence of a **CONSTRUCTION DEFECT**;

11. Any deviation from plans and specifications that has not resulted in a **CONSTRUCTION DEFECT**.
- B. **OUR LIMITED WARRANTY** does not cover any **CONSTRUCTION DEFECT** which would not have occurred in the absence of one or more of the excluded events or conditions listed in Exclusions, Section VI. A.1 a. – A.1.q., A.2. or A.3. above, regardless of:
1. the cause of the excluded event or condition; or
 2. other causes of the loss or damage; or
 3. whether other causes acted concurrently or in any sequence with the excluded event or condition to produce the loss or damage.

VII. Procedure to Request US To Perform Under This LIMITED WARRANTY

If **YOU** become aware of a condition that **YOU** believe is a **CONSTRUCTION DEFECT** under this **LIMITED WARRANTY**, **YOU** have the following responsibilities:

A. Notification

YOU must notify **US** in writing as soon as it is reasonably possible after **YOU** have become aware or should have become aware of a **CONSTRUCTION DEFECT**, but in no event may **YOUR** written notice of a **CONSTRUCTION DEFECT** or **YOUR** written request for warranty performance be postmarked or received by **US** later than thirty (30) days after this **LIMITED WARRANTY** has expired.

If the written notice is postmarked or received by **US** more than thirty (30) days after the expiration of this **LIMITED WARRANTY**, **WE** shall have no obligation to remedy the **CONSTRUCTION DEFECT**. In order to establish a record of timely notification, **WE** recommend that written notice should always be sent by Certified Mail, return receipt requested.

B. Cooperate With US

YOU must give **US** and any third parties acting on **OUR** behalf reasonable help in inspecting, investigating, testing (including destructive testing), monitoring, repairing, replacing or otherwise correcting an alleged **CONSTRUCTION DEFECT**. Help includes, but is not limited to, granting reasonable access to the **HOME** or **COMMON ELEMENTS** for the forgoing purposes. If **YOU** fail to cooperate or provide such reasonable access to the **HOME** or **COMMON ELEMENTS**, **WE** will have no obligation to do any of the foregoing.

C. Do Not Make Voluntary Payments

YOU agree not to make any voluntary payments or assume any obligations or incur any expenses for the remedy of a condition **YOU** believe is a **CONSTRUCTION DEFECT** without prior written approval from **US**, or other parties authorized to act on **OUR** behalf. **WE** will not reimburse **YOU** for costs incurred where **YOU** did not obtain prior written approval.

However, **YOU** may incur reasonable expenses in making repairs in an **EMERGENCY CONDITION** without prior written approval, provided the repairs are solely for the protection of the **HOME** or **COMMON ELEMENTS** from further damage or to prevent an unsafe living condition and provided **YOU** notify **US** as soon as is reasonably possible. To obtain reimbursement for repairs made during an **EMERGENCY CONDITION**, **YOU** must provide **US** with an accurate written record of the repair costs.

D. Sign A Release

When **WE** or a third party designated by **US** or acting on **OUR** behalf have completed repairing, replacing or paying **YOU** as to any **CONSTRUCTION DEFECTS** or other related damage to the **HOME** or the **COMMON ELEMENTS** covered by this **LIMITED WARRANTY**. **YOU** must sign a full release of **OUR** obligation for the **CONSTRUCTION DEFECTS**. The release shall be applicable to the **CONSTRUCTION DEFECTS** and shall not prevent **YOU** from notifying **US** should **YOU** become aware of a subsequent **CONSTRUCTION DEFECT**.

E. If YOU Disagree With US

If **YOU** believe **WE** have not responded to **YOUR** request for warranty performance to **YOUR** satisfaction or in a manner that **YOU** believe this **LIMITED WARRANTY** requires, **YOU** may provide written notice to **PWC** requesting Mediation. Upon **PWC's** receipt of written notice from **YOU**, **PWC** may review and mediate **YOUR** request by communicating with **YOU**, **US**, and any other individuals or entities that **PWC** believes may possess relevant information. If after forty-five (45) days, **PWC** is unable to successfully mediate **YOUR** request for warranty performance, or at any earlier time when **PWC** determines that **YOU** and **WE** are at an impasse, **PWC** will notify **YOU** that **YOUR** request for warranty performance remains unresolved and that **YOU** may elect to initiate Binding Arbitration. Binding Arbitration as described in the following section is the sole remedy for the resolution of disputes between **YOU** and **US** as set forth in the following section.

VIII. Binding Arbitration Procedure

Any disputes between **YOU** and **US**, or parties acting on **OUR** behalf, including **PWC**, related to or arising from this **LIMITED WARRANTY**, the design or construction of the **HOME** or the **COMMON ELEMENTS**, or the sale of the **HOME** or transfer of title to the **COMMON ELEMENTS** will be resolved by binding arbitration. Binding arbitration shall be the sole remedy for resolving any and all disputes between **YOU** and **US**, or **OUR** representatives. Disputes subject to binding arbitration include, but are not limited to:

- A. Any disagreement that a condition in the **HOME** or the **COMMON ELEMENTS** is a **CONSTRUCTION DEFECT** and is therefore covered by this **LIMITED WARRANTY**;
- B. Any disagreement as to whether a **CONSTRUCTION DEFECT** has been corrected in compliance with this **LIMITED WARRANTY**;
- C. Any alleged breach of this **LIMITED WARRANTY**;
- D. Any alleged violation of consumer protection, unfair trade practice, or any other statute;
- E. Any allegation of negligence, strict liability, fraud, and/or breach of duty of good faith, and any other claims arising in equity or from common law;
- F. Any dispute concerning the issues that should be submitted to binding arbitration;
- G. Any dispute concerning the timeliness of **OUR** performance and/or **YOUR** notifications under this **LIMITED WARRANTY**;
- H. Any dispute as to the payment or reimbursement of the arbitration filing fee;
- I. Any dispute as to whether this **LIMITED WARRANTY**, or any provision hereof, including, but not limited to any waiver hereunder, is unenforceable;
- J. Any other claim arising out of or relating to the sale, design or construction of **YOUR HOME** or the **COMMON ELEMENTS**, including, but not limited to any claim arising out of, relating to or based

on any implied warranty or claim for negligence or strict liability not effectively waived by this **LIMITED WARRANTY**.

The arbitration shall be conducted by Construction Arbitration Services, Inc., or such other reputable arbitration service that **PWC** shall select, at its sole discretion, at the time the request for arbitration is submitted. The rules and procedures of the designated arbitration organization, that are in effect at the time the request for arbitration is submitted, will be followed. A copy of the applicable rules and procedures will be delivered to **YOU** upon request.

This arbitration agreement shall be governed by the United States Arbitration Act (9 U.S.C. §§ 1 – 16) to the exclusion of any inconsistent state law, regulation or judicial decision. The award of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

Each party shall bear its own attorneys fees and costs (including expert costs) for the arbitration. The arbitration filing fee and other arbitration fees shall be divided and paid equally as between **YOU** and **US**. This filing fee shall be no more than the amount charged by the arbitration service to **PWC** for each arbitration. Contact **PWC** to determine the arbitration filing fee in effect at the time an arbitration is being requested. The arbitrator shall, as part of any decision, award to the party prevailing at the arbitration any applicable filing fees or other arbitration fees paid by that party.

The process for **YOU** to initiate arbitration is described below.

Step 1 **YOU** complete a Binding Arbitration Request Form and mail it to **PWC** along with the appropriate arbitration filing fee. A Binding Arbitration Request Form is attached to this **LIMITED WARRANTY**. **YOUR** Binding Arbitration Request Form must be received no later than ninety (90) days after this **LIMITED WARRANTY** expires. **YOU** must still notify **US** of an alleged **CONSTRUCTION DEFECT** as soon as it is reasonably possible after **YOU** have become aware or should have become aware of the **CONSTRUCTION DEFECT**, but in no event later than thirty (30) days after expiration of this **LIMITED WARRANTY**. Please Note that while **YOU** have thirty (30) days after this **LIMITED WARRANTY** expires to notify **US** and ninety (90) days after it expires to file for arbitration, this time period does not extend the **WARRANTY PERIOD** for **CONSTRUCTION DEFECTS**. Additionally, no investigation, inspection, testing, repair, replacement, or payment, nor any promise of same by **US** under this **LIMITED WARRANTY**, nor any dispute resolution efforts, shall extend the term of this **LIMITED WARRANTY** or extend or toll any statutes of limitations or any of **YOUR** rights or remedies.

Step 2 **PWC** Will Arrange the Arbitration Proceeding. The arbitrator or arbitration organization will notify **YOU** of the time, date and location of the arbitration hearing. Most often the hearing will be conducted at the **HOME** or the **COMMON ELEMENTS** or some other location that is agreeable to all the parties to the dispute. In scheduling the hearing the arbitrator will set a time and date that is reasonably convenient to all the parties.

Step 3 The Arbitration Hearing. The parties at the arbitration hearing will include the arbitrator, **YOU**, **US** and/or a third party designated by **US** or acting on **OUR** behalf. Any party to the proceeding may be represented at the hearing. All persons who are parties to the arbitration, as well as representatives and witnesses, are entitled to attend hearings.

After evidence is presented by **YOU**, **US** or **OUR** representatives, a decision will be rendered by the arbitrator. The decision is final and binding on **YOU** and **US**. The arbitrator first will determine whether any claimed or alleged **CONSTRUCTION DEFECT** exists and whether it is **OUR** responsibility. Second, if the arbitrator finds **US** responsible for a **CONSTRUCTION DEFECT**, the arbitrator will determine the scope of any repair or replacement, **OUR** cost of any such repair or replacement, and the diminution in fair market value, if any, caused by such **CONSTRUCTION DEFECT**. Based upon the arbitrator's decision, **WE** shall choose whether **WE** shall (1) repair, replace the **CONSTRUCTION DEFECT**, (2) pay to **YOU** the actual amount it would cost **US** to repair or replace the **CONSTRUCTION DEFECT** or (3) **PAY** to **YOU** an amount equal to the diminution in fair market value caused by

the **CONSTRUCTION DEFECT**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** authorized representative's sole option. In addition, the arbitrator shall render a decision resolving any other disputed matters or issues related to or arising from this **LIMITED WARRANTY**, the design or construction of the **HOME** or the **COMMON ELEMENTS** or the sale of the **HOME** or transfer of title to the **COMMON ELEMENTS**.

Step 4 **OUR Arbitration Performance Obligations.** **WE** will comply with the arbitrator's decision no later than 60 days from the date of the award or other such date as may be specified or allowed in the decision. However, delays caused by circumstances beyond **OUR** or **OUR** representative's control shall be excused.

Step 5. **If YOU believe WE Have Failed To Comply With The Award.** **YOU** should contact **PWC** at its mailing address specified in this **LIMITED WARRANTY** if **YOU** believe **WE** have not complied with the arbitrator's award. **PWC** will mediate this dispute and if it cannot be resolved, will advise **YOU** that a compliance inspection arbitration is available to determine whether **WE** have performed adequately under the original arbitration award. **PWC** will communicate these findings to both **US** and **YOU**. If it is determined that **WE** have not properly performed, **WE** will be obligated to immediately comply.

PWC's sole responsibility is to administer this **LIMITED WARRANTY** on **OUR** behalf and as such **PWC** assumes no other liabilities in connection with this **LIMITED WARRANTY**. Under no condition or circumstance is **PWC** responsible for fulfilling any of **OUR** obligations under this **LIMITED WARRANTY**.

IX. General Conditions

A. Separation of This **LIMITED WARRANTY** From The Contract Of Sale

This **LIMITED WARRANTY** is separate and independent of the contract between **YOU** and **US** for the construction and/or sale of the **HOME** or transfer of the **COMMON ELEMENTS**. The provisions of this **LIMITED WARRANTY** shall in no way be restricted or expanded by anything contained in the construction and/or sales contract or other documents between **YOU** and **US**.

B. Transfer to Subsequent **HOMEOWNERS**

This **LIMITED WARRANTY** will transfer to new owners of the **HOME** for the remainder of the **WARRANTY PERIOD**. **YOU** agree to provide this **LIMITED WARRANTY** to any subsequent purchaser of the **HOME** as a part of the contract of sale of the **HOME**. **OUR** duties under this **LIMITED WARRANTY** to the new **HOMEOWNER** will not exceed the limit of liability then remaining, if any.

C. Transfer of Manufacturer's Warranties

WE assign to **YOU** all the manufacturer's warranties on all appliances, fixtures and items of equipment that **WE** installed in the **HOME**. Should an appliance or item of equipment malfunction **YOU** must follow the procedures set forth in that manufacturer's warranty to correct the problem. **OUR** obligation under this **LIMITED WARRANTY** is limited to the workmanlike installation of such appliances and equipment. **WE** have no obligation for appliances and equipment defined as **CONSUMER PRODUCTS**.

D. Recovery Rights

If **WE** or a third party designated by **US** or acting on **OUR** behalf repairs, replaces or pays **YOU** as to a **CONSTRUCTION DEFECT**, or other related damage to the **HOME** or the **COMMON ELEMENTS** covered by this **LIMITED WARRANTY**, **WE** are entitled, to the extent of **OUR** payment, to take over **YOUR** related rights of recovery from other people and organizations, including but not limited to, other warranties and insurance. **YOU** have an obligation not to make it harder for **US** to enforce these rights. **YOU** agree to sign any papers, deliver them to **US**, and do anything else that is necessary to help **US** exercise **OUR** rights.

E. General Provisions

1. If any provision of this **LIMITED WARRANTY** is determined to be unenforceable, such a determination will not affect the remaining provisions. If this **LIMITED WARRANTY** or any provision herein is determined to be unenforceable as to a **HOMEOWNERS ASSOCIATION** or a specific **HOMEOWNER**, such a determination will not affect the enforceability of this **LIMITED WARRANTY** or such provision as to any other **HOMEOWNERS ASSOCIATION** or any other **HOMEOWNER**. The issue of enforceability, as well as all other issues, will be determined by Binding Arbitration as provided for in this **LIMITED WARRANTY**.
2. This **LIMITED WARRANTY** and the binding arbitration process are binding on **YOU** and **US**. It is also binding on **YOUR** and **OUR** heirs, executors, administrators, successors, and assigns, subject to paragraph B of the **General Conditions**.
3. As may be appropriate, the use of the plural in this **LIMITED WARRANTY** includes the singular, and the use of one gender includes all genders.

X. Definitions

BUILDER means the individual, partnership, corporation or other entity, which participates in the Warranty Program administered by the Professional Warranty Service Corporation and provides **YOU** with this **LIMITED WARRANTY**. Throughout this document the **BUILDER** is also referred to as "**WE**", "**US**" and "**OUR**".

COMMON ELEMENTS means the property as specified in the recorded Covenants, Conditions and Restrictions as common area and any other property as to which the **HOMEOWNERS ASSOCIATION** has standing under the law to make a claim. This may include, but is not limited to, streets, slopes, the structure or components of enclosure or other parts of the **HOME**/corridors, lobbies, vertical transportation elements, rooms, balconies, clubhouses or other spaces that are for the common use of the residents of the development in which the **HOME** is located. **SYSTEMS** serving two or more **HOMES**, and the outbuildings that contain parts of such **SYSTEMS** are also included in this definition.

CONSEQUENTIAL OR INCIDENTAL DAMAGES means any loss or injury other than:

- A. **OUR** cost to correct a **CONSTRUCTION DEFECT** including the correction of those surfaces, finishes and coverings damaged by the **CONSTRUCTION DEFECT**;
- B. **OUR** cost of repair or replacement of furniture, carpet or personal property damaged by the **CONSTRUCTION DEFECT**. Should replacement be necessary, **OUR** obligation is limited to replacement with items providing the same function and quality and that are readily available at the time the item is being replaced.

Diminished fair market value is considered "**CONSEQUENTIAL OR INCIDENTAL DAMAGE**" and is excluded under this **LIMITED WARRANTY** unless **WE** elect this remedy in lieu of the repair, replacement or other payment as to a **CONSTRUCTION DEFECT**.

CONSTRUCTION DEFECT(S) means a flaw in the materials or workmanship used in constructing the **HOME** that:

- materially affects the structural integrity of the **HOME** or the **COMMON ELEMENTS**; or

- jeopardizes the life or safety of the occupants; or
- results in the inability of the **HOME** or the applicable **COMMON ELEMENTS** to provide the functions that can reasonably be expected in a residential dwelling.

WE and any arbitrator assigned to rule relative to a **CONSTRUCTION DEFECT** will consider both this definition and

Section III – A. (Standards By Which the Presence of a CONSTRUCTION DEFECT Will Be Determined) in determining the existence of a CONSTRUCTION DEFECT. A flaw is a CONSTRUCTION DEFECT if either WE or an arbitrator conducting a binding arbitration hearing declares the flaw to be a CONSTRUCTION DEFECT. **KAI NANI AT MAKAKILO
AFFIDAVIT OF INTENT TO PURCHASE AND RESIDE IN AN OWNER-OCCUPANT
DESIGNATED FEE SIMPLE DETACHED TOWNHOME CONDOMINIUM RESIDENCE**

We, the undersigned "owner-occupants", on this _____ day of _____, 20____, do hereby declare that it is our intention to purchase and reside in a designated fee simple townhome condominium residence designated for an "owner-occupant" in KAI NANI AT MAKAKILO townhome condominium residence ("Community") proposed by D.R. Horton – Schuler Homes, LLC, a Delaware limited liability company, dba D.R. Horton-Schuler Division ("Developer").

We understand, affirm, represent and agree by signing this Affidavit that:

1. It is our intent to reserve and purchase an owner-occupant designated townhome condominium residence ("designated residence") pursuant to section 514A-103 of the Owner-Occupant Law, and upon closing escrow, to reside in the designated residence as our principal residence for 365 consecutive days.

2. The term "owner-occupant" as used herein is defined in section 514A-101 of the Owner-Occupant Law as:

"...any individual in whose name sole or joint legal title is held in a residential residence which, simultaneous to such ownership, serves as the individual's principal residence, as defined by the state department of taxation, for a period of not less than three hundred and sixty-five consecutive days, provided that the individual retains complete possessory control of the premises of the residential residence during this period. An individual shall not be deemed to have complete possessory control of the premises if the individual rents, leases or assigns the premises for any period of time to any other person in whose name legal title is not held." (Emphasis added).

3. We understand that if two or more prospective owner-occupants intend to reside jointly in the same designated residence, only one owner-occupant's name shall be placed on the reservation list for either the chronological system or the lottery system.

4. Should we require financing from a financial institution to purchase the designated residence, the financing shall be an owner-occupant mortgage loan. The financial institution is required to take all reasonable steps necessary to determine whether the borrower intends to become an owner-occupant.

5. At any time after obtaining adequate financing or a commitment for adequate financing up until the expiration of this Affidavit (365 days after recordation of the instrument conveying the designated residence to us), we shall notify the Real Estate Commission immediately upon any decision to cease being an owner-occupant of the designated residence.

6. At closing of escrow, we shall file a claim for and secure an owner-occupant property tax exemption with the appropriate county office for the designated residence.

7. We have personally executed this Affidavit and we are all of the prospective owner-occupants for the designated residence. This Affidavit shall not be executed by an attorney-in-fact.

8. This Affidavit shall be reaffirmed by us no earlier than our receipt for the Community's Final Public Report and no later than the closing of escrow for the residence. The developer shall cancel our sales contract or reservation if we fail to make the reaffirmation. If the sales contract has become binding pursuant to section 514A-62 of the Condominium Property Act, we may be considered to be in default under our sales contract, and the Developer may exercise the default or other remedies provided for in the sales contract and any other remedies provided by law.

9. We shall not sell or offer to sell, lease or offer to lease, rent or offer to rent, assign or offer to assign, convey or otherwise transfer any interest in the designated residence until at least 365 consecutive days have elapsed since the recordation of the instrument conveying title to the designated residence to us. Furthermore, we understand that we have the burden of proving our compliance with the law.

10. We understand that it is the affirmative duty of any developer, employee or agent of a developer, and real estate licensee, to report immediately to the Real Estate Commission any person who violates or attempts to violate the Owner-Occupant Law. No developer, employee or agent of a developer, or real estate licensee shall violate or aid any person in violating the Owner-Occupant Law.

11. The Real Estate Commission may require verification of our owner-occupant status and if we fail to submit such verification, we may be subject to a fine in an amount equal to the profit made from the sale, assignment or transfer of the designated residence.

12. Any false statement in this Affidavit or violation of the Owner-Occupant Law shall subject us to a misdemeanor charge with a fine not to exceed \$2,000, or by imprisonment of up to a year or both. We further understand that if we violate or fail to comply with the Owner-Occupant Law, we shall be subject to a civil penalty of up to \$10,000, or fifty per cent of the net proceeds received or to be received from the sale, lease, rental, assignment or other transfer of the designated residence, whichever is greater.

13. When required by context, each pronoun reference shall include all numbers (singular or plural) and each gender shall include all genders.

**KAI NANI AT MAKAKILO
SHARED APPRECIATION ADDENDUM
Condominium Residence No. _____**

This Addendum amends that Fee Simple Home Purchase Agreement (the "Sales Contract"), reference dated _____, by and between D.R. Horton-Schuler Homes, LLC dba D.R. Horton-Schuler Division ("Seller") and _____ ("Buyer") for the purchase of Residence No. _____ ("Residence") at the Kai Nani at Makakilo community ("Community"). Buyer and Seller agree as follows:

1. REPRESENTATION REGARDING OCCUPANCY OR INVESTMENT

Buyer to initial either A or B:

_____/_____. A. Buyer hereby represents and warrants that Buyer is purchasing the Residence to be owned and occupied by Buyer as Buyer's **primary residence** and not for investment purposes or rental. Buyer acknowledges that any misrepresentation in this respect of this issue will be a material default of the Sales Contract that entitles Seller to all remedies thereunder including, but not limited to, a termination of the Sales Contract and retention of any deposits made by Buyer as liquidated damages. Additionally, Buyer understands that if Buyer is applying for FHA or VA financing, such misrepresentation on any FHA or VA application form may result in criminal penalties, including, but not limited to, a fine or imprisonment or both under the provisions of federal law. Buyer further acknowledges that this representation and warranty must be renewed at close of escrow (hereafter "Closing") by signing the Declaration of Covenants Restricting Resale or Rental of Property hereinafter defined.

_____/_____. B. Buyer hereby represents and warrants that Buyer is purchasing the Residence to be owned and occupied as Buyer's **secondary residence** and not for investment purposes or rental. Buyer acknowledges that any misrepresentation in this respect will be a material default of the Sales Contract that entitles Seller to all remedies thereunder including, but not limited to, a termination of the Sales Contract and retention of any deposits made by Buyer as liquidated damages. Additionally, Buyer understands that if Buyer is applying for FHA or VA financing, such misrepresentation on any FHA or VA application form may result in criminal penalties, including but not limited to a fine or imprisonment or both under the provisions of federal law. Buyer further acknowledges that this representation and warranty must be renewed at Closing by signing the Declaration of Covenants Restricting Resale or Rental of Property hereinafter defined. Buyer acknowledges that Seller can, in its sole and absolute discretion, prohibit or limit the number of secondary residence purchases in the subdivision.

If Buyer represents and warrants to Seller that Buyer will occupy the Residence pursuant to paragraphs A or B above and Seller becomes aware through any source that Buyer's representation and warranty to occupy the Residence is not true (for example, but without limitation, Buyer is actively marketing the Residence for sale or rent, Buyer informs Seller's salesperson, or Buyer's lender indicates that Buyer is purchasing for investment purposes), Seller shall have the right, in its sole discretion, to either (a) increase the amount that Buyer must pay as an earnest money deposit ("Deposits") or (b) terminate the Sales Contract by written notice to Buyer of the same, in which event such activity shall be deemed a material default of the Sales Contract and Seller shall be entitled to retain any Deposits made by Buyer as liquidated damages. Buyer shall be deemed to be actively marketing the Residence for sale

or rent if Buyer lists the Residence for sale, advertises the Residence for sale or rent or solicits buyers or renters for the Residence.

2. COVENANTS RESTRICTING RENTAL OF PROPERTY. If Buyer represents and warrants to Seller that Buyer will occupy the Residence pursuant to paragraph A or B above, the following applies to Buyer's use of the Residence. The following covenants shall apply to any Buyer other than a Buyer that purchases the Residence using FHA or VA financing.

a. Buyer hereby agrees and covenants not to rent the Residence for a period of 365 days after recordation of the conveyance document (hereafter the "Owner Occupant Period"). Buyer and Seller recognize and acknowledge that it is impossible to determine accurately the amount of any damages that Seller will incur if Buyer breaches this Paragraph 2(a) and, therefore, in the event of any such breach, Buyer shall pay Seller as liquidated damages, and not as a penalty, \$20,000.00 if Buyer rents the Residence prior to the expiration of such Owner Occupant Period. Further, and in addition to any restriction set forth in any recorded covenant, condition or restriction affecting the Residence, Buyer shall not place a "for rent" or "for sale" sign on the Residence until the expiration of the Owner Occupant Period (collectively the "Rental Covenant").

b. Buyer hereby agrees to occupy Buyer's new home during the Owner Occupant Period. Buyer also agrees that the conveyance of the Residence shall be made subject to a transfer restriction during the Owner Occupant Period that provides in the event Buyer elects to sell or to market for sale the Residence during the Owner Occupant Period, Seller shall have a priority lien on the Residence (the "Shared Appreciation Lien") in the amount of 50% of the amount by which the net re-sale price of the Residence exceeds the Purchase Price, defined in the Sales Contract. The Shared Appreciation Lien shall be payable at the closing of any re-sale of the Residence that occurs during the Owner Occupant Period or for a period of 90 days thereafter (the "Transfer Restriction Period". The Shared Appreciation Lien shall expire, automatically without further action of the parties, at the conclusion of the Transfer Restriction Period. The Shared Appreciation Lien shall be enforceable as if it were a mortgage and Seller shall be entitled to all of the remedies at law and equity in respect of this mortgage lien right.

c. Buyer's covenant not to sell and not to rent, Buyer's obligation to pay liquidated damages to Seller if Buyer breaches the rental covenant, the foregoing Shared Appreciation Lien and transfer restriction and the foregoing restriction on displaying "for rent" or "for sale" sign shall be set forth in a separate Declaration of Covenants Restricting Resale or Rental of Property (the "Use Restriction Covenant") that shall be executed by Buyer at Closing and shall be recorded upon Closing as an encumbrance upon the Residence. The Use Restriction Covenant shall be subordinate to all mortgages or mortgage or home equity loans on the Residence.

3. RELEASE OF COVENANTS.

a. Seller may in its reasonable discretion, based on proof satisfactory to Seller, waive the foregoing Use Restriction Covenant and Shared Appreciation Lien under certain extenuating circumstances, including but not limited to the following:

- i. A transfer by Buyer where the spouse or one or more children of Buyer become the only co-owner with Buyer of the Residence;

- ii. A transfer by Buyer into a revocable inter vivos trust in which Buyer is a beneficiary;
- iii. A transfer resulting from the decree of dissolution of marriage or legal separation or from a property settlement agreement incident to such decree;
- iv. A transfer, conveyance, pledge, assignment or other hypothecation of the Residence to secure the performance of an obligation, which transfer, conveyance, pledge, assignment or hypothecation will be released or reconveyed upon the completion of such performance;
- v. A transfer by Buyer where (1) at the time of transfer Buyer is occupying the Residence as Buyer's place of residence and (2) the transfer is necessary to facilitate Buyer's relocation of his place of residence in order to accommodate a job transfer or to accommodate a change in employment locater greater than twenty-five miles; and
- vi. A transfer resulting from circumstances beyond the control of Buyer.
- vii. An unforeseeable transfer of Buyer, if Buyer is in a branch of the United States Armed Forces.

b. Seller may release the foregoing restrictions and the Shared Appreciation Lien in favor of the Seller if the Residence is financed under a federally subsidized mortgage program and such restrictions and Shared Appreciation Lien would jeopardize the federal government's ability to recapture any interest credit subsidies. Similarly, the Seller may waive any of the foregoing restrictions and the Shared Appreciation Lien in favor of the Seller in order to comply with or conform to the requirements of federal laws or regulations governing mortgage insurance or guarantee programs or requirements set forth by federally chartered secondary mortgage market participants.

c. The foregoing restrictions and the Shared Appreciation Lien in favor of the Seller shall not apply in the case of a partial transfer of title to the Residence to a surviving Buyer by operation of law upon the death of a Buyer who held title to the Residence in joint tenancy or tenancy by the entirety with the surviving Buyer, provided that the restriction and Shared Appreciation Lien shall remain in full force and effect with regard to any subsequent transfer by the surviving Buyer.

d. The foregoing restrictions and the Shared Appreciation Lien in favor of the Seller shall be automatically extinguished and shall not apply in subsequent transfers of title to the Residence when a mortgage holder or other party becomes the owner of the Residence pursuant to a mortgage foreclosure, foreclosure under power of sale, or a conveyance in lieu of foreclosure after a foreclosure action is commenced. The term "mortgage holder" as used herein shall include the United States Department of Housing and Urban Development, Federal Housing Administration, the United States Department of Agriculture, the Farmers Home Administration or other federal or state agencies engaged in housing activity, the Administrator of Veterans Affairs, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, and any private mortgage lender, private mortgage insurer and their successors, grantees and assigns.

All defined terms herein shall have the same meaning as set forth in the Sales Contract.

All other terms and conditions of this Sales Contract Addendum shall remain in full force and effect. The undersigned acknowledges receipt of a fully completed copy of this addendum.

DECLARATION OF COVENANTS RESTRICTING RESALE OR RENTAL OF PROPERTY

This Declaration of Covenants Restricting Resale or Rental of Property (the "Declaration of Covenants") is made on _____, by _____, the owner ("Owner") and D.R. HORTON-SCHULER HOMES, LLC, a Delaware limited liability company, dba D.R. Horton – Schuler Division ("Seller").

A. Owner has purchased from Seller the property described on Exhibit A attached hereto and incorporated hereby by this reference (the "Property").

B. Seller desires to ensure the availability of "owner occupied" financing for its communities and provide as many people as possible with the opportunity for home ownership. Accordingly, as partial consideration paid to Seller by Owner for the purchase of the Property, Owner agreed to enter into this Declaration of Covenants that provides, among other things, that Owner will not resell or rent the Property for one (1) year from the date of recordation of the conveyance document (hereinafter "Closing").

C. Upon execution, this Declaration of Covenants shall be recorded in the Bureau of Conveyances of the State of Hawaii and/or the Office of the Assistant Registrar of the Land Court of the State of Hawaii.

ARTICLE I DECLARATION

1.1 Restriction on Rental of Property. Owner, for itself, its successors, and its assigns, hereby declares and agrees that it shall not lease, rent or otherwise transfer its rights, title, or interest in the Property during the period beginning as of even date herewith and expiring one (1) year from Closing (the "Owner Occupant Period"), without the prior written consent of Seller, which consent may be withheld in Seller's sole discretion.

1.2 Resale and Transfer Restriction Period. During the Owner Occupant Period, Owner shall not sell, offer for sale or transfer the Property to a third party except as permitted by this Declaration of Covenants. If Owner sells or offers for sale the Property and transfers the Property to a third party during the Owner Occupant Period or for a period of 90 days thereafter (the "Transfer Restriction Period"), Seller shall have a priority lien on the Property (the "Shared Appreciation Lien") in the amount of 50% of the amount by which the net re-sale price of the Property, defined below, exceeds the Adjusted Purchase Price, also defined below. The Shared Appreciation Lien shall be payable at the closing of any re-sale of the Property that occurs during the Transfer Restriction Period. The Shared Appreciation Lien shall expire, automatically without further action of the parties, at the conclusion of the Transfer Restriction Period. Seller's Shared Appreciation Lien shall be enforceable as if it were a mortgage and Seller shall be entitled to all of the remedies at law and equity in respect of this mortgage lien right. "Net re-sale price of the Property" means the gross sales price of the Property, less sales commissions not exceeding six percent (6%) of the gross sales price and less customary closing costs incurred in the State of Hawaii in an amount not exceeding one percent (1%) of the gross sales price.

The "Adjusted Purchase Price" shall not exceed the sum of:

- (A) The original cost of the Property to the Owner,
- (B) The cost of any capital improvements added to the Property by the Owner; and
- (C) Simple interest on the original cost of the Property and the cost of the Owner's capital improvements calculated at the rate of one percent (1%) per annum.

1.3 Sign Restriction. Owner, its successors and assigns shall not place a "for sale" or "for rent" sign on the Property during the Owner Occupant Period.

1.4 Liquidated Damages. Owner acknowledges and agrees that if Owner breaches its obligation under Section 1.1 or Section 1.3, the damages sustained by Seller shall be difficult to calculate with any precision. Accordingly, if Owner or any of its successors or assigns leases, rents or otherwise licenses during the Owner Occupant Period any rights, title, or interest in the Property without Seller's written consent, Owner shall pay to Seller as liquidated damages the sum of \$20,000.00.

1.5 Covenants Run with the Property. These covenants shall run with the Property and shall bind and be a charge on the Property, Owner, and Owner's heirs, successors, and assigns from the date hereof until the expiration of the Restriction Period.

1.6 Consideration. Owner's execution of this Declaration of Covenants is partial consideration for Seller's agreement to execute the purchase contract by which the Property was conveyed by Seller to Owner.

ARTICLE II LIEN AND SUBORDINATION TO LENDER

2.1 Grant of Lien to Seller. Without limitation of the Shared Appreciation Lien set forth in Section 1.2, Owner hereby grants to Seller a lien against the Property (the "Lien") to secure Owner's obligations hereunder. Seller may promptly initiate proceedings to foreclose the Lien if Owner defaults in its obligation to pay Seller liquidated damages in the amount of \$20,000.00 under the Declaration of Covenants. Owner agrees that all of Seller's reasonable costs and expenses of foreclosure, including reasonable attorney's fees and interest at the rate of 15% per annum from the date of said default, shall become additional indebtedness owed by Owner to Seller that is secured by this Lien. Owner hereby waives any "home" exemption or other exemption now or hereafter existing or enacted under either Hawaii or federal law. No transfer of any rights, title or interest in the Property shall relieve Owner from the personal obligation to pay liquidated damages, together with interest, costs, and other reasonable attorneys' fees, pursuant to this Declaration of Covenants; provided, however, that Owner's obligations under this Declaration of Covenants shall not extend to any breach of this Declaration of Covenants by Owner's successor(s) in title.

2.2 Subordination to Lender. This Declaration of Covenants shall have priority over all liens or claims created subsequent to the recordation of this Declaration of Covenants except for (i) tax liens for real property taxes on the Property, (i) assessments on the Property in favor of any municipal or other governmental body and (iii) any lien of all mortgages or home equity loans encumbering the Property.

ARTICLE III EXCEPTIONS

3.1 Seller's Exceptions. Seller may in its reasonable discretion, based on proof satisfactory to Seller, waive the foregoing covenant under certain extenuating circumstances, including but not limited to the following:

- a. A transfer by Owner where the spouse or one or more children of Owner become the only co-owner of the Property;
- b. A transfer by Owner into a revocable inter vivos trust in which Owner is a beneficiary;
- c. A transfer resulting from the decree of dissolution of marriage or legal separation or from a property settlement agreement incident to such decree;
- d. The transfer, conveyance, pledge, assignment or other hypothecation of the Property to secure the performance of an obligation, which transfer, conveyance, pledge, assignment or hypothecation will be released or reconveyed upon the completion of such performance;
- e. The transfer by Owner where (1) at the time of transfer Owner is occupying the Property as Owner's place of residence and (2) the transfer is necessary to

facilitate Owner's relocation of his place of residence in order to accommodate a job transfer or to accommodate a change in reemployment location greater than twenty-five miles; and

- f. A transfer resulting from circumstances beyond the control of Owner.
- g. An unforeseeable transfer of Buyer, if Buyer is in a branch of the United States Armed Forces.

ARTICLE IV MISCELLANEOUS

4.1 Remedies. In addition to its right of foreclosure under Section 2.1, Seller shall have all other remedies of a legal or equitable nature provided by Hawaii law, including, but not limited to, the right to initiate an action to enjoin any rental of this Property during the Owner Occupant Period.

4.2 Attorneys' Fees. Seller shall be entitled to reimbursement by Owner of all of Seller's reasonable costs and attorneys' fees if it prevails in any action to enforce the provisions of this Declaration of Covenants.

4.3 Governing Law and Venue. This Declaration of Covenants shall be construed according to the laws of the State of Hawaii, and venue for any action hereunder shall be in any court of competent jurisdiction located in the county in which the Property is located.

4.4 Severability. If any provision of this Declaration of Covenants is held invalid or void by a court of competent jurisdiction, such provision shall be deemed severable from the remainder of this Declaration of Covenants and shall in no other way affect the enforceability of any other provision herein.

4.5 Captions. The titles, headings, and captions used in this Declaration of Covenants are for convenience of reference and are not to be interpreted to affect the meaning of any of the provisions herein.
